Agronomed Biologics, a permitted Clinical Registrant under Pennsylvania's Chapter 20 Research Program, opens first dispensary at 122 Norris Street in Chester, PA

Chester, PA – Agronomed Biologics is opening their first dispensary, **The Healing Research Center**, at 122 Norris Street in Chester, PA, on Friday, May 14th. Agronomed Biologics is permitted to open a medical marijuana growing and processing facility as well as six dispensaries in Pennsylvania to conduct research on medical cannabis with Drexel University's Medical Cannabis Research Center (Through Pennsylvania's Chapter 20 Clinical Research Program – Phase II Approved Clinical Registrant). The dispensary will be open Monday through Friday, 8 am to 7 pm, and Saturday-Sunday, 10 am to 4 pm. The dispensary in Chester was made possible largely through the partnership of Agri-Kind, The Healing Center, and the hard work of Chester Mayor Thaddeus Kirkland and the members of the Chester City Hall. The dispensary looks to employ up to 25 people, mostly sourced from the immediate Chester area. For information on employment, go to www.thehealingresearchcenterusa.com. Agronomed Biologics CEO, Jon Cohn, may be reached for comment at (610)656-8083.
